The Honorable Henry J. Hyde  
Ranking Minority Member  
Subcommittee on Legislation  
Permanent Select Committee on Intelligence  
House of Representatives  
Washington, D.C. 20515

Dear Mr. Hyde:

I am pleased to respond to your letter of 28 June 1985 and to enclose herewith answers to the "follow-up" questions stemming from the hearing on legislation to expedite the naturalization of certain United States intelligence sources held on 25 June 1985 by the Committee's Subcommittee on Legislation. This transmittal is intended to supplement the record of what the Agency believes was a very successful hearing.

The Agency appreciates the opportunity to build a full and complete record on the subject. On the basis of that record, we hope that the Committee will be able to reach a determination as to legislation in this area and take expeditious action on its determination. I am also providing a copy of this letter to Representatives Hamilton, Stump and Beilenson.

Sincerely,

A handwritten signature in cursive script, appearing to read "W. J. Casey".
